

### REMARKS

Applicant respectfully requests entry of newly added claims 81-106. Upon entry of this amendment, claims 39-106 are pending. The above amendments do not constitute new matter. Support for the newly added claims 81-106 is found in the specification.

Applicant acknowledges that claims 81-106 may not be drawn to subject matter elected for prosecution in the present application. Applicant's representative respectfully requests that the Examiner contact the undersigned representative to discuss grouping of these claims. Claims 81-106 are similar to those in the Application. No. 09/883,962, which is unrelated to the present application. For the Examiner's convenience, a copy of the published application (U.S. Publication No. 2002/0039557) is attached for consideration.

Favorable consideration of the application, as amended, is respectfully requested.

The Examiner is hereby authorized to charge any deficiency or credit any overpayment to our Deposit Account No. 19-0741.

Respectfully submitted,
